“Intercompany has allowed us to stay simple...”

Intercompany Integration Solution for SAP Business One

“

Intercompany has allowed us to stay simple and comparable between all countries in our portfolio.

Matt Leonard, CPA
Controller

”

Industry

Skin Care

Employees

400 employees, 25 SAP Business One users

Reasons for choosing SAP

- International growth
- Simplicity in IT Landscape

Key benefits

- Able to have a consistent set of GL accounts that allows us to pull financials from all over the world into one format
- Training is all on the same platform using the same identifiers.
- Ability for easy reporting to upper management

Customer quotes

“I believe the intercompany capabilities of SAP is very strong. It allows us to maintain a consistent set of books worldwide despite the varying reporting requirements of the host country.

In a growing and changing environment from a business perspective, Intercompany has allowed us to stay simple and comparable between all countries in our portfolio.”
